SKYPE SERVICES: LaVoie coaches via Skype all over the world to English speaking clients.

This is a friendly reminder.

ENROLLMENT/ ATTENDANCE: No refunds. If you miss your scheduled workshop, no re-scheduling/no refund. For group classes, the student must pay whether they attend class or not – just like a gym membership or college enrollment. For private sessions / headshots – 72 hour cancellation policy or must pay the full price of session/no refunds. For those doing 2 or more private sessions a month and group classes a 72 hour “no show” is required for group classes, as I plan group activities based on students attending class otherwise you will be charged.

ACCEPTATIONS to the rule: Vacation scheduled with me, entertainment audition, a death and on the set working.

Also, please note you are not paying by the month when attending group classes; you are paying for eight consecutive classes, as there are months' that have five classes in them. Yes, the class cost breaks down to \$24 a class. You are welcome to pay by the class, prior to class starting, equaling eight classes.

I greatly appreciate your friendship and business. Thanks for understanding. :-D
